

PROPOSAL FOR SELLING YOUR PRODUCTS ON ZAWAR TEMPLATES

🌟 Overview 🌟

In today's digital era, online shopping has become a primary channel for businesses to reach a larger customer base. **Zawar Templates** is an emerging e-commerce platform that offers companies an opportunity to sell their products efficiently without any upfront investment. Our goal is to create a **win-win partnership** where businesses can leverage our platform to increase their sales while we earn a small commission on successful transactions.

📌 Objective

The purpose of this proposal is to **invite your company** to list its products on **Zawar Templates**. We will promote and sell your products through our platform, and in return, we will charge a **commission of 3% to 5%** on each successful sale. This partnership ensures that you only share a small percentage of the revenue when a product is sold, making it a **cost-effective and risk-free opportunity**.
